Triumph Vol. VI

TAMARAC

Junior-Senior High School

R.D. 3 TROY, N.Y.

Foreword

The seed, small, inert yet carrying potential for growth, is put into the ground. Planted with it are prayers for a rich harvest of good grain to sustain mankind. Carefully cultivated, the young shoot begins to develop. Enriched by sun and rain, strengthened and tested by nature's blows, the tiny plant slowly ripens to full maturity. Then with thanksgiving, the grain is gathered and given forth to nourish the world.

This expresses the theme of *The 1965 Triumph*: the development of the young student from an unrefined and unawakened state into a mature, responsible person, ready to give of himself to the well-being of the community.

Principal's Message

Congratulations upon the successful completion of your public school education. Your diploma is mute testimony of your ability, perseverance and achievement.

May you always have the desire to learn, improve yourself and make the most of your talents and opportunities.

It is important, too, that you always recognize and appreciate the education with which you have been provided and that you be forever grateful to your parents and those who have made it possible for you to attend school.

May you likewise be aware of your indebtedness and obligation to society and constantly strive to give more than you have received.

Sincerely,

Herbert W. Ford

The Student Council has been very active this year. It has produced an effective monitor system during the lunch periods, and has also established an effective method of selling refreshments at home basketball games. Recently the organization has become a member of the New York State Association of Student Councils.

Future plans of the Student Council include a program for a Foreign Student Exchange and the composition of the school's alma mater.

The Senior Honor Society continued this year to sponsor the sale of United States Savings Stamps. Also, four members of the group represented Tamarac on the *Little Red School House* with one victory and one defeat. On March 11 the society held an induction ceremony. Reverend Joel Shippey was speaker at this event. A dance and a field trip, possibly to Hyde Park, have been planned as end-of-the-year activities in conjunction with the Junior Honor Society.

Junior

This year the Junior Honor Society again sponsored a sixth grade orientation program. The students revised the handbook which explains the high school routine and activities and visited the various sixth grade classrooms to answer any questions. The society also made posters advertising basketball games and worked on words for the Tamarac Alma Mater. On March 17 the group inducted new members.

The band organization has had a very active and enjoyable year. During the fall, the marching band entertained and rallied, support at the football games, and all of the instrumental groups joined in a successful October concert. For the Christmas season, the band and the chorus presented a program together. Both formal and informal settings and numbers were used, and a short play was given. Then, practicing hard over vacation, everyone began to prepare for the up-coming Spring program. Another successful concert was held in April. In May, the organization took part in competition, a very important event. Individuals went to Cambridge, New York on the 8th, and on May 22nd, the whole band went to Poughkeepsie. Both groups earned high honors. Also, the Select Band had the great honor and opportunity of playing at the World's Fair.

The Senior Chorus began the year with an increased membership and a burst of creative energy! In November, eight of our members were chosen to attend the Area All-State Festival where they sang in a 150-voice choir comprised of students from twenty area schools.

Christmas found our stalwart group engaged in the Music Department's presentation, "Sounds of Christmas." It was in this program that we first used our newly acquired choir robes.

Then on January 30th, ten of our members sang in the All-County Festival at Berlin Central School.

Plans for the spring call for a visit to one or two area schools where we will perform in assemblies. We will also present our Annual Spring Concert and in addition, several of our members will enter the May Competition Festival, as soloists and as members of a vocal ensemble.

The Key Club presented its ideals and principles to all 10th and 11th grade English classes with the showing of the film, "And Emerged a Man." For service, the club assisted the PTA on various subjects. A dance was presented in honor of a fellow student, Phil Gongoleski, an accident victim. Key Club members initiated a school spirit campaign through the sale of School Spirit Buttons with the funds going to the Key Club Sport Fund. At Christmas, fruit cakes were sold to boost the Sport Fund. With this money, the club purchased a "Bengals" sign to replace the "Home" sign on the scoreboard.

A "Youth and Law" program was presented to the entire school in an assembly, and support was also given to the USS Hope program. The club held an anti-smoking campaign and aided the American Cancer Society. Every effort of the Key Club was for the betterment of the school and community.

The Y-Teens program for the year 1964-1965 was varied. For health and fun, swimming, bowling, slimnastics, and a hayride were enjoyed. For service, two projects were carried out. At Halloween, favors were made for the meal trays at Samaritan Hospital. At Christmas, the Y-Teens gave a party for the children at the Mary Warren School. For cultural and personal development, there were speakers on travel, makeup, personal grooming, a tape received from Thailand, and a demonstration of foreign cooking. For fund raising, a dance and food sales were held. The money earned was used to send one or two representatives to Summer Conference held in June at Sarah Lawrence College and for a group trip.

The Tamarac Yorkers completed a full 1964-1965 program. At Christmas, they prepared a St. Nicholas Gift Box, families were adopted and toys were given to children who had none. For the year's project, the Yorkers made a model and written history of Fort Ticonderoga and the Saratoga Battlefield. The club also made replicas and written accounts of the New York State Flag, and an Indian Village and the Indian way of life. The group designed its own banner and as money raising projects had several bake sales. It entered the Governor's Trophy Folklore Contest.

The club took part in the Yorker District Jamboree at Lishakill Jr. High and the State Convention in the spring. For fun and cultural development, the Yorkers went on a trip to Cooperstown, where they visited the Farmers Museum, the Baseball Hall of Fame, and the Fenimore Cooper House.

Tamarac's FTA Club opened the year by attending the District FTA Meeting at Ravena, N.Y., in November. An installation banquet was held on December 5 at Crooked Lake Hotel, with Mr. and Mrs. Ford as honored guests.

During the year, members acted as student teachers in the Tamarac Elementary section and they presented a play for the Elementary students. Furthering the ideals and purpose of FTA, Tamarac's student teachers from Russell Sage were invited to speak about college life and the reasons why they decided to become teachers. The club presented a reading of "The Unknown Teacher" before the Teacher's Association, and its members have acted as guides at several PTA functions. The group also went on a field trip to Oswego State Teacher's College.

For fund raising projects, Tamarac's Future Teacher's of America Club conducted a stationery sale and presented a dance on February 5th called "Coeur de mon Coeur."

Tamarac Captures Little

The Bengals captured their first championship in the Little Eight Conference despite many key injuries throughout the season.

Tamarac vs Voorheesville 20-6

The Bengals, after being shutout in the first half of the game, broke loose for three touchdowns in the second half to beat Voorheesville 20-6. The sparkling passing of quarterback Bill Rebhun and catching of Wayne Dayton for two touchdowns, one of 35 yards and a second of 28 yards, led the team to victory. Halfback Dave Hobart scored all alone in a sweep of 32 yards to cinch the first game for the Bengals.

Tamarac vs Mt. Everette 32-12

Tamarac, on the ladder to the top, knocked off Mt. Everette. Again, behind team co-captain Bill Rebhun's passing, the Bengals scored on two touchdown passes, one to Bill Dayton and another to Bruce Satterlee. Behind fine line blocking, Tamarac's running game produced touchdowns by Dave Hobart and Bruce Satterlee.

Tamarac vs Roe-Jan 27-19

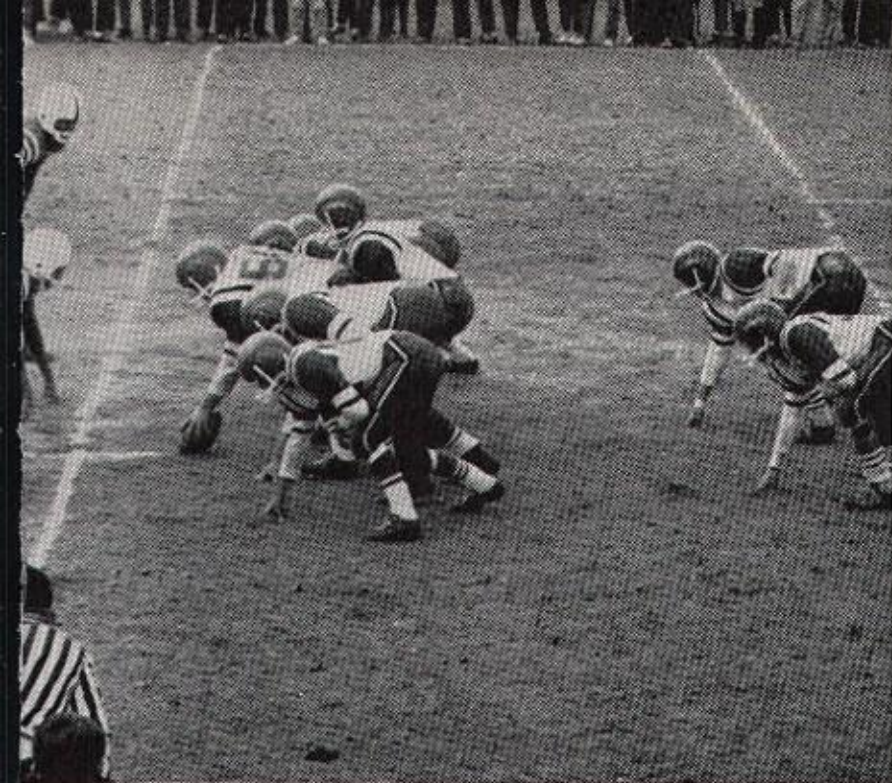

The Bengals, supporting co-captains Bill Rebhun and Rob Zalucky, scored a hard win over a tough Roe-Jan team. Zalucky, having recovered from a knee injury, scored the first touchdown on a 52 yard pass play from Bill Rebhun. Bruce Satterlee tied the score on a 10 yard run to end the half. In the second half, defense stiffened and offense moved on with scores on a 52 yard pass to Bill Dayton and another 29 yard pass to Rob

Tamarac vs Chatham 40-19

Tamarac scored an easy win, but suffered a great loss for the remaining part of the season with the injury of senior line-backer Ken Morse. In rolling over Chatham, Rebhun passed to Wayne Dayton for a 20 yard touchdown, and ran 10 yards for another. Grant Bryce scored on a 15 yard run, and Bruce Satterlee scored twice on runs of 21 and 30 yards. Dave Hobart scored the final touchdown with a 25 yard pass interception.

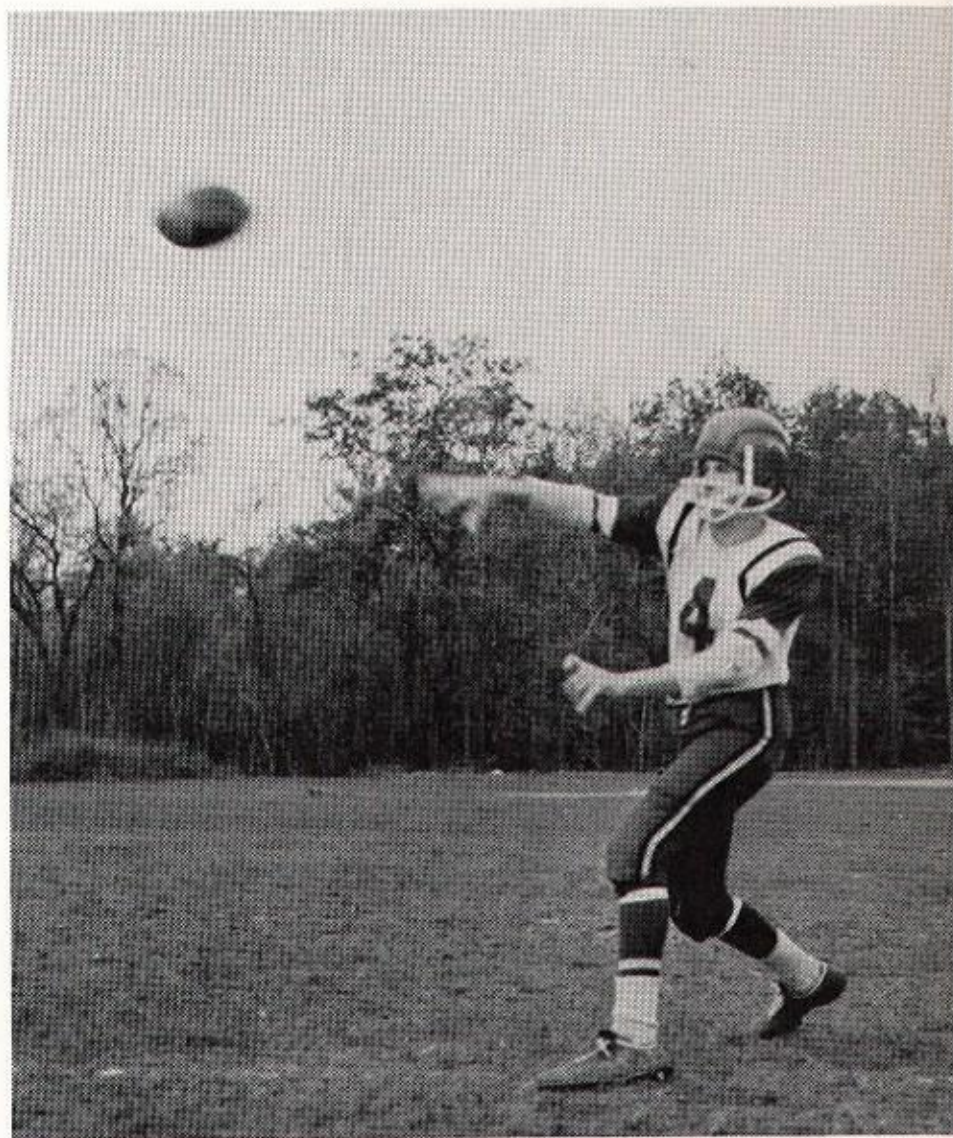

Tamarac vs Ockawamick 13-26

Tamarac suffered its first defeat of the season with an undermanned team. Key injuries to Rob Zalucky, Ken Morse, and Pete Milks dimmed our spirits. Touchdowns were scored on a 70 yard screen play to Dave Hobart and a 35 yard pass from Bill Rebhun to Wayne Dayton.

Tamarac vs Hunter-Tannersville 34-0

Rob Zalucky, with fine running, and Bill Rebhun, with pin point passing, paced the Bengals to another victory. Zalucky scored on runs of 15 and 25 yards, while Rebhun hit Wayne Dayton on extra points after these touchdowns. A 10 yard run by Dave Hobart and a 3 yard run by Paul Maxon accounted for the final scores of the season.

With Hunter-Tannersville forfeiting to Ockawamick, Tamarac and Ockawamick ended their winning seasons with equal records.

Quarterback Rebhun warms up.

Class History

In 1961, we '65ers became Tamarac High School's Freshman class, distinguished even before entering as the first class to have a sixth grade rather than an eighth grade graduation.

Cast of "Life with Father"

It was a year marked by many changes: Mr. Swanick, called back into the Army, was replaced by Mr. Coty for a year; Mr. Comins went to England under the Fullbright Exchange Program, while Mr. Eric Jones came to guide our artistic efforts here. With Mr. Thrasher as our class advisor, we elected officers and presented the movie, "Private War of Major Benson," a real "funny" fun-raiser. That year, the faculty presented the play "Life with Father," starring Mr. Fullaytor and Mrs. Raymond. Also, many went to the R.P.I. Fieldhouse to hear the New York Philharmonic Orchestra under the direction of Leonard Bernstein.

Our Sophomore year began in September, 1962, with a great deal of enthusiasm. Now we were established as high school students, not merely ninth graders.

The first of our endeavors to raise funds for future activities came with the presentation of a dance "Fall Festival." We didn't profit a great deal of money, however, we did gain needed experience and discovered how nice it

felt to raise the balance of the class treasury.

In the fall of 1962, Miss Antunes, whom we entertained each day in World History, chose six sophomores—Linda Bonesteel, Sharon Hewitt, Charlis Meeson, Kathy McGrath, Bill Rebhun, and Eric Carle—to prepare to represent Trinidad and Tobago at a mock meeting of the Organization of American States at Emma Willard School. The group returned greatly impressed by E.M.S., especially Rebhun and Carle. World History students also were confronted with many contests, one of which was sponsored by the Watervliet Arsenal. Second place was won by Charlis Meeson.

Remember the fire in Biology 5? Miss Wheeler won't forget, because we had a substitute teacher at the time. And how about the shrunken head the salesman brought to try to sell to Miss Wheeler? Great fun!

And so having completed a successful and eventful year as sophomores, the class of 1965 waited apprehensively for September when they would be "big important juniors."

As juniors we eagerly anticipated a memorable

"Wow!"

year. Beginning early in 1963, we selected officers and began the traditional magazine sale. This was a big success, with Chuck Boomhower winning first prize—a radio. The class then went on to tackle a dance "Prelude to Spring" plus its class play and prom.

The play was one of the most enjoyable experiences of the year. Everyone co-operated under the direction of Mrs. Rowley to make "Hillbilly Weddin'" the most profitable play ever yet held at Tamarac. Packed houses both nights brought in over \$400 for the class. Equally as much fun was the prom "Shangri La." The auditorium did indeed look like a heaven on earth that night. In addition to all this, we managed to find time for the National Merit Scholarship Test and the Preliminary Scholastic Aptitude Test; many of us attended a presentation of the opera "Don Pasquale" at Emma Willard School; two of our classmates, Linda Bonesteel and Charlis Meeson, attended a Citizenship Conference at Syracuse University. We also excitedly received our long-awaited class rings. During January, everyone had a welcome, if unexpected, break from school activity when the worst blizzard in many years closed the school for two days. That was really something!

We had several outstanding assembly programs including one by the chorus from Lycoming College, Mr. Converse's alma mater. We couldn't get him down to earth for a week. The Beers' family, who have performed at the World's Fair and on the "Tonight Show," also visited Tamarac. Our chemistry classes heard a lecture on "Catalysts" by Dr. Dorothy Gif-

K. Lockwood and B. Rebhun rehearsing for "Hillbilly Weddin'"

ford, chemistry department head at Lincoln School, Providence, Rhode Island.

1963 was also the year of the tragic death of President John F. Kennedy. We all remember hearing the news in stunned silence on the school buses that fateful day.

Our junior year found us organizing the Student Council elections. After a very exciting campaign, the student body elected Sandy Moore as president and Bev Campbell as V.P. All in all, our junior year had been a very exciting one. We were very glad, however, to enter Tamarac as seniors in 1964.

Our senior year was off to a slow pace, but, then, everyone rallied to sell as much Schraft's candy as possible in the annual sale. It was very successful, adding needed loot to our somewhat deficient treasury. The yearbook staff got under way with the choosing of colors, paper, type, and other details, while Mr. Nash patiently

awaited our decisions. To meet the costs of the yearbook, we presented the senior play "It's Great to be Crazy," directed by Mr. Fullaytor. To our dismay, we were forced to ask sophomores and juniors to help with the acting because of the unavailability of many seniors. The production was successful, and everyone involved had great fun, including Mr. Fullaytor.

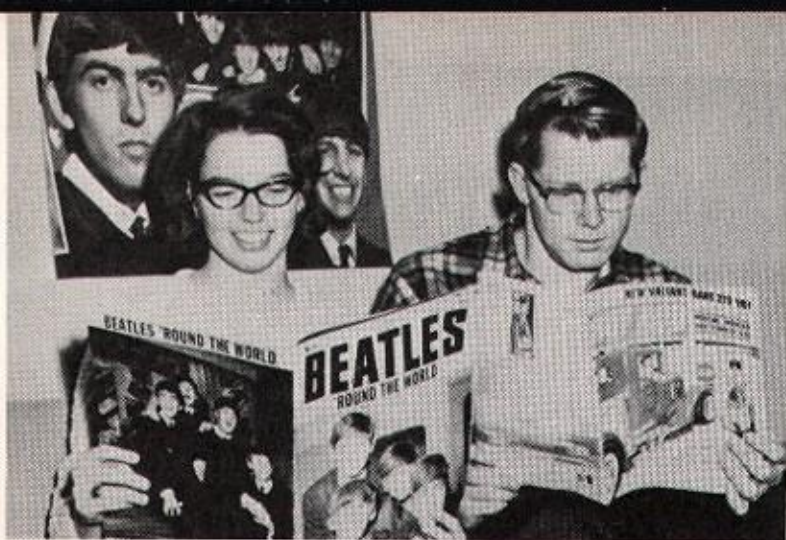

Many new activities, clubs, and rules have been formed this year with the arrival of Mr. Ford, the new high school principal. It didn't take long for us to realize that Mr. Ford was very interested in making Tamarac a thriving establishment in the fields of scholarship, activities, and sports, and also in becoming our friend and advisor.

The 1964-65 school year was a period of "firsts" for Tamarac: the Varsity Club initiation, lipstick and all; the presentation of a trophy for a win in the Little Eight Football Conference;

the formation of a victorious wrestling team, coached by Mr. Converse along with Mr. Stover; the participation on the TV program, "Little Red Schoolhouse."

We seniors also experienced many unusual situations: College Board and Achievement Tests, filling out college applications and having interviews with various college representatives, and taking part in the Regents Scholarship Exam. Also, remember the water pipe break resulting in early dismissal, the ice storm when school was closed from Thursday to Tuesday, and the demonstration of Atomic Energy when Marcia Lloyd's hair stood on end?

Now as we anticipate graduation, we must prepare ourselves for life in the adult world, either at jobs or in college. As seniors, looking back on past experiences, we realize how great a part Tamarac has played in readying us to face the various problems and situations in the vast world of adulthood.
